

James Dixon Primary School

Learning to be the best I can

Creative Curriculum Theme Summer 1 2021

The Empire Windrush

Successful Learners

Areas of Learning

As **Writers**, we will write a diary entry to learn about and share the experiences of the people of The Empire Windrush. We will also be creating pamphlets and a story narrative to further share these experiences.

As **Mathematicians**, we will be looking at fractions and decimals. Comparing, ordering, converting and solving problems surrounding the four operations.

As **Historians and Geographers**, we will learn about the history of The Empire Windrush and the influence this had on British culture and society. We will be learning about it all from the perspective of Floella Benjamin and others who were involved.

As **Scientists**, we will be learning about animals and living things.

Confident Individuals

The Arts

As **Artists**, we will study self-portraits to help us look at our own identity. We will then look at portraits of people of African descent to develop an understanding of Britain's historical and cultural identity.

We will be designing and creating our own pop up books based around 'Coming to England' by Floella Benjamin.

Physical & Emotional Well-Being

As **Physically and Emotionally** strong individuals, we will be working on our cricket skills.

We will learn how to play Kwik and Diamond cricket. Developing our bowling, fielding and batting skills.

Responsible Citizens

Outdoor Learning

As **Outdoor Learners**, we will be taking part in a workshop based around The Empire Windrush.

Knowledge of the World

As part of the **World** family, we will gain an understanding of different communities and their influences on British culture.
