# Online Safety

Sexual abusers have never been so social. data shows 11-13 year old girls are increasingly at risk of grooming and coercion at the hands of online predators. **Any child, no matter what their background, with unrestricted access to internet-connected devices, is at risk.**

Here are two things to try this weekend:

Instead of allowing your child to use YouTube, try YouTube Kids

If you have a smart TV then put a PIN code on the Apps

You can usually access the PIN options through the settings.

# SCHOOL COUNCIL

***This week's recycling winners are***

**CO-OPERATIVE CLASS**

Please make space on the pavement for others

Unless your child is in our Preschool, **please do not arrive before 8.40am**

Please wear a face covering
