

This terms theme is...

All About Me

Our Creative Curriculum

As **confident individuals** we will settle into Preschool, where we will express our own needs and interests within the learning environment. We will begin to approach others in play and to take part in adult led activities.

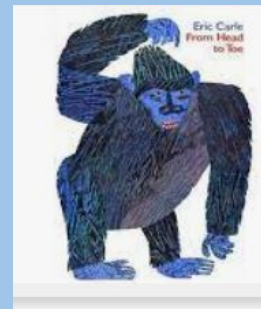

As **successful learners** we will develop our speaking and listening skills through listening to stories, singing songs, playing with our friends and engaging with the adults in Preschool.

As **active learners** we will listen to different stories and poems that explore how we are similar and different from each other. We will play games to help us hear the different sounds around us and begin to make marks and tell adults what they say. We will learn to recognise different colours and begin to explore numbers from 1 to 5.

As **creative explorers** we will paint our self-portraits and explore how colours can be changed. We will draw around one of our friends and label all the different body parts we can name.

We will be reading...

Global Citizens

Our **Jigsaw** theme for this term will be *Being In My World*. We will learn about how it feels to belong to our new Preschool. We will explore how we are similar and different to begin to understand different feelings. We will explore how we feel and how others might feel. We will talk about how to be kind and learn how we are all responsible for each other and our Preschool.

LOtC and WOW days

As part of our **Outdoor Learning** we will begin our Forest School sessions. We will learn to get ourselves ready by putting on our suits and welly boots. We will learn the Forest School rules and begin to explore our environment.
