

This terms theme is...

THE VICTORIANS

Our Creative Curriculum

As writers we will be writing a diary entry as Jim Jarvis about our time in the workhouse. We will write instructions on how to make a Victorian milk loaf as well as write the beginning to the narrative 'Way Home'.

As mathematicians we will be focusing on data collection, multiplication and division and area and perimeter.

As Historians we will be exploring main events that took place during the Victorian times, significant people in history as well as the impact of the British Empire, with a particular focus on the Industrial Revolution.

As Geographers we will locate the countries that were a part of the British Empire and countries that were involved in trading.

As artists and designers we will be designing and creating our own bridges using ideas from those created in the Industrial revolution.

As Scientists we will be exploring and learning more about Earth and Space.

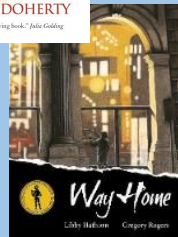

We will be reading...

BERLIE DOHERTY

"A brilliant and moving book." Julia Gilling

Way Home

Lily Hatton Gregory Rogers

Global Citizens

As citizens of the world we will be learning how to create media with the use of technology.

Our Jigsaw theme for this term will be celebrating differences.

In PE we will be learning the skills needed for netball and inside we will be focusing more on our gymnastic skills looking at the use of apparatus to support us.

LOtC and WOW days

As part of our Outdoor Learning we will be taking part in Victorian Day.

The planetarium will be coming to visit to support us with our Science learning.
