JOURNEYS

Our Creative Curriculum

As writers we will continue our learning of letter sounds to read and write in our RWI groups. We will be ensuring we have learnt all the letter sounds and apply this knowledge when reading and writing. We will learn new tricky words and use them when writing simple sentences during independent learning and focus group opportunities.

As mathematicians we be looking at place value up to 20. We will be recognising, ordering, counting and writing numerals up to 20 and using these numbers to add and subtract. We will also be developing our reasoning skills and using what we know about place value to explain how we have solved a problem.

As Scientists we will observing the changes in the seasons and talking about how and why these changes occur.

As Geographers we will be looking at different weather types and discussing how weather is linked to the changes on the season.

As artists and designers we will be using colours to talk about our feelings and exploring what happens when we mix these colours together.

Global Citizens

As citizens of the world we will be developing our social and emotional skills to help us understand our role in the wider community. This includes the digital community and the impacts of our **digital footprint**.

Our Jigsaw theme for this term will be 'Being me in my world'. We will be talking about what makes us a team in school, how we can make our classroom a safe and happy place for all and talking about the choices we make and the consequences these may have.

We will be reading...

LoTc and WOW days

As part of our Outdoor Learning we will be taking part in Forest School sessions where we will be observing the changes to our site, revisiting our forest school rules and the skills we learned in Reception.

We will be going on a trip to Betts Park. We will talk about how to get there and plan our journey together. We will then reflect on our journey by discussing where we went, how we got there, what we saw and what we did there.
