

This term's theme is...

Traditional Tales

Our Creative Curriculum

As **confident individuals** we will continue to negotiate social situations with adult support and to talk about our feelings and the feelings of others.

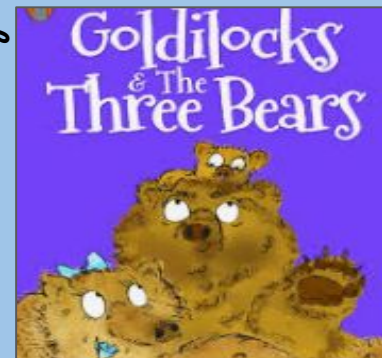

As **successful learners** we will develop our speaking and listening skills through listening to stories, singing songs, playing with our friends and engaging with the adults in Preschool.

As **active learners** we will listen to a variety of traditional tales and act them out in small groups. We will begin to talk about the characters and settings of stories and retell them independently. We will continue to explore numbers from 0-10 and begin to find 1 more and 1 less using objects in our play.

As **creative explorers** we will examine different materials and learn to describe their properties and uses. We will talk about and compare different measures in our play.

We will be reading...

Global Citizens

Our **Jigsaw** theme for this term will be relationships. We will share ideas about how to make friends and how to be a good friend. We will talk about what we like about our friends and how we feel if someone is unkind. We will learn how to handle these social situations.

LOtC and WOW days

As part of our Outdoor Learning we will be continuing our Forest School sessions.

We plan to taste different flavours of porridge and find out the most popular one.
